

SUSTAINABLE DEVELOPMENT CHARTER

Full Charter Signatory

2013 - 2015

This charter acknowledges the contribution of UITP member

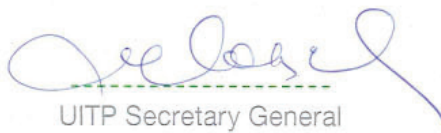

SYSTRA

is making to Sustainable Development

This UITP member has complied with all the criteria to qualify as a Full Charter Signatory. Full charter signatories have fulfilled the following actions, as set out in the UITP Charter Guidelines: Sustainable Development is recognised as a strategic objective. A system is in place for regular reporting on the social, environmental and economic performance of the organisation and its activities and they will foster leadership on sustainable development through dialogue and exchange of best practises with all stakeholders.
