

Celebrate with WORK180

2023 was an important year for you and WORK180. In 2023, we officially launched the DEI Assessment in our brand new employer portal. This allowed employers to easily complete and modify their DEI Assessment data, download reports, view and complete recommended actions.

By using this tool:

123

Employers improved their overall DEIA score

4,016

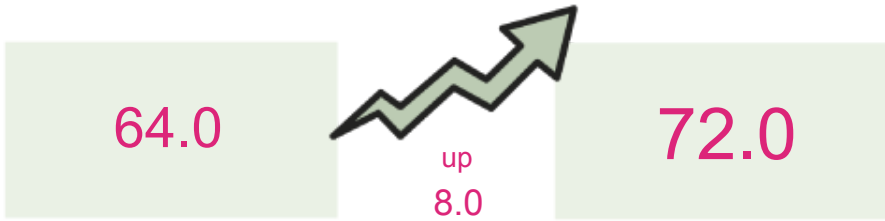

Indicators/policies were improved

220,116

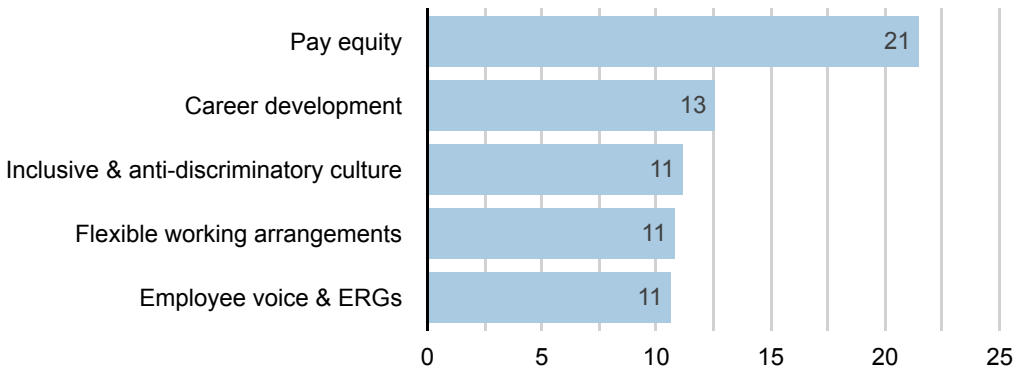

Women have been impacted by these positive changes globally

In 2023 your DEI Assessment score improved:

Your Top Improved Standards
