January 3, 2023

## SYSTRA appoints Sébastien Dupont as Managing Director Consultancy (UK-IRL)

*Sébastien Dupont joins SYSTRA's Executive Board on 3<sup>rd</sup> January replacing Craig Scott who is stepping down from the Board, but retaining an advisory role within the business.*

SYSTRA Ltd is delighted to announce the appointment of Sébastien Dupont as Managing Director for Consultancy (UK-IRL). Sébastien joined SYSTRA in 2017 as Chief Financial Officer for Latin America based in São Paulo, Brazil before moving to London in 2019 as International Chief Financial Officer, responsible for UK, Nordics, South America and North & Western Africa. He is an accomplished operations and financial leader having worked for 20-years in the transport engineering and automotive sectors.

Sébastien led the integration of TSP Projects that was acquired in 2019, doubling the size of the SYSTRA Ltd's Transport and Infrastructure business. As Managing Director for Consultancy, Sébastien will support the sustainable growth of the business, raising the profile of its many thought-leading technical and digital experts.

**Nick Salt, CEO said,** "I am delighted that Sébastien has agreed to join SYSTRA Ltd. He is an astute business leader with significant international experience and will form a significant part of our Leadership Team as we continue on our journey of sustainable growth.

**Sébastien Dupont, Managing Director Consultancy said,** "Moving to the UK has been one of the highlights of my career so far. After working with a vast network of international entities across multiple continents, I am now delighted to shift my focus to the UK & Ireland market in order to support our clients delivering on decarbonisation and sustainability. It is my absolute pleasure to lead SYSTRA's consultancy team which has a rich and diverse pedigree of delivering fascinating work, thanks to its deep expertise and relentless commitment to each of our customer's success.

3. SYSTRA Ltd's Board UK & Ireland are: Nick Salt, Steve Higham, Sébastien Dupont, Mike Muldoon, Suzanne Walker, Stephen Andrews and Paul Morgan.
4. In the UK & Ireland, SYSTRA provides Transport Planning Consultancy and Rail and Urban Transport engineering services. With over 950 colleagues, we work with our clients to think through complex issues concerning the location and movement of people, goods and services – as well as helping them maximise the potential of their own businesses. We have been providing Transport Consultancy services in the UK for over 50 years and have an excellent reputation for the provision of high quality, robust and independent advice to our clients. SYSTRA is a UK registered subsidiary of SYSTRA Group which has over 8,000 employees worldwide.
5. In 2019, SYSTRA doubled the size of its UK & Ireland operations through the acquisition of TSP Projects, a multidisciplinary engineering firm formed in 1987 with a rich heritage in rail. The combined company provides clients with a complete end-to-end service spanning every aspect of rail projects, as well as specialist understanding of mobility and complex infrastructure. We deliver expertise across the full project lifecycle, from strategic advisory and design to systems integration, programme/construction management, testing & commissioning, and asset management. This expertise will be delivered through a significantly expanded UK footprint, providing clients with a highly localised service.
